

What is Turn 2 Us?

Turn 2 Us is delivered by youth workers from Hull City Council Youth Development Service and HeadStart Hull. Turn 2 Us provides one to one support for young people at secondary school to discuss their issues with youth workers during a lunchtime at school and in the community during the school holidays.

What do we do?

Turn 2 Us Youth Workers deliver a weekly lunchtime drop in within every secondary school in Hull.

When young people feel a bit stressed, fed up, anxious about something and want someone to have a chat with, the youth workers will be there to listen and give support, guidance and reassurance.

If a young person needs a higher level of support Turn 2 Us youth workers can refer (or support the young person with self-referral) to additional targeted support through HeadStart Hull or a range of other services which can meet the young person's needs.

Who do we work with?

Young people who would benefit from brief, low level emotional well-being support. Turn 2 Us is available to all young people across every secondary school in Hull and is an open access service, with no referral needed, young people can just turn up.
